

Expert Care, Trusted by  
Physicians & Families

## OUR HOSPITAL

KPC Promise of Salt Lake is a specialized hospital dedicated to patients who require additional care during recovery.

Our 38-bed hospital offers a small communal atmosphere with private rooms and focuses on recovery, while providing each patient with the highest caliber of healthcare services. We want every patient we meet to experience our **Expert Care, Trusted by Physicians and Families.**

We accept most insurance, Medicare and Medicaid policies. To arrange a tour or if you have any questions, contact our Admissions Office at (385) 425-0055.

## SERVICES AND PROGRAMS

KPC Promise Hospital of Salt Lake provides the following healthcare services and programs to the community:

-  **Advanced Respiratory Recovery**
-  **Neuro/Trauma Recovery**
-  **Complex Wound Care**
-  **Extended IV Therapy**
-  **Bridge to Rehabilitation Program**

### WHY DO I NEED TO GO TO A LONG-TERM ACUTE CARE HOSPITAL?

Patients who require further recovery that is too complex for home care, nursing facility or acute rehabilitation, may be transferred to a LTAC hospital for specialized care.

While at our hospital, patients continue to benefit from services offered in a traditional hospital such as daily physician monitoring, 24-hour coverage by licensed nurses and respiratory therapists, and a complete therapy team including physical, occupational, and speech therapy.
